

# International Labor and Global Talent Issues in a New Era

September 24: 8:30 am - 1:30 pm (Eastern Time)

September 25: 8:30 am - 3:30 pm (Beijing Time)

<https://us02web.zoom.us/j/4823653197>  
ZOOM: 482 365 3197

## OVERVIEW

At this time of unprecedented uncertainty, research regarding international labor mobility and global talent identification and development with respect to transnational corporations (TNCs) is more important than ever. We are calling on the academic and practitioner community to develop a better understanding of the international labor and talent issues and solve real-world problems from a variety of institutional settings.

## CONVENERS
